Client's Ref.: CTR-3 (Sonar Scanner)

REMARKS

Claims 20 to 27, 54 to 61, and 80 to 88 are pending in the application. Favorable reconsideration and further examination are respectfully requested.

In the May 15, 2003 Office Action, claims 20 to 27, 54 to 61, and 80 to 88 were indicated as being allowable. The remaining claims were rejected over two references. Without conceding the propriety of this rejection, Applicant has cancelled the non-allowed claims, leaving only the allowed claims in the application. Applicant reserves the right to pursue the non-allowed claims in a continuation application.

In view of the foregoing amendments and remarks, the entire application is now believed to be in condition for allowance, and such action is respectfully requested at the Examiner's earliest convenience.

Applicant's attorney can be reached at the address shown below. Telephone calls regarding this application should be directed to 617-521-7896.
